BAY-DELTA
PROGRAM

Public Comment

Date 8/13/99

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

We have a responsibility as Californians to keep our fragile ecosystem supplied with fresh water such as in the S.F. Bay and Sacramento Delta Area. We must also preserve/conservate water in our farming communities.

CALFED should not build the first third of the canal around the Delta.
